

## License agreement for the Leibinger Connect SIM Card

### 1 License Agreement

By purchasing a SIM card for the Leibinger Connect Portal, the purchaser enters into a license agreement with Paul Leibinger GmbH&Co. KG.

### 2 Terms of use

By purchasing a SIM card for the Leibinger Connect Portal, the purchaser accepts the following terms of use for the SIM card.

### 3 Intended purpose

The user must not use the SIM Card for anything other than in association with the Leibinger Connect Portal and dedicated terminal equipment. In case of misuse, Paul Leibinger GmbH&Co KG reserves the right to deactivate the SIM card. The SIM card's only intended purpose is data transfer between the dedicated terminal equipment and the Leibinger Connect Portal.

### 4 Term of the license agreement

The order confirmation shows the SIM card type and the license agreement's first term.

### 5 Begin of the first term of the license agreement

The first term of the license agreement commences on the first day of the month after the next after purchasing the SIM card.

### 6 Renewal of the license Agreement

The first and all following terms automatically renew for consecutive periods of 1 year unless terminated in accordance with its terms.

### 7 Termination of the license agreement

The contract partners can terminate the license agreement upon a minimum of 30 days written notice before the license agreement's first or any following term ends.

### 8 Warranty and disclaimer

During the license agreement term, Paul Leibinger GmbH grants a replacement for a SIM card that shows a defect.

Paul Leibinger GmbH excludes any liability for damages caused by the use or by a defect of a SIM card. The disclaimer includes but is not limited to the following cases:

- Paul Leibinger GmbH is not liable for any damages caused by a failure of the SIM card
- Paul Leibinger GmbH is not liable for any damages caused by an exchange of a defective SIM card
- Paul Leibinger GmbH is not liable for any damages caused by downtimes because of the exchange of a defective SIM card
